

NOTICE OF PROPOSED CHANGES

August 27, 2009

CIRM proposes amendments of its Intellectual Property and Revenue Sharing Requirements for Non-Profit and For-Profit Grantees, sections 100600 – 100611. The proposed regulations were published by the Office of Administrative Law on December 19, 2008. The public comment period for the proposed regulations concluded on February 2, 2009. The regulations were modified and circulated for a second round of public comment, which began July 17, 2009, concluded August 1, 2009, and a third round that began August 3, 2009, and concluded August 18, 2009.

Based on public comment received during these periods, CIRM has proposed further refinements to sections 100601, 100606, and 100611. In accordance with the California Administrative Procedure Act, the CIRM is posting these revised regulations for an additional 15-day public comment period. **Note: Because the other sections [100600, 100602-100605, and 100607 - 100610] are not the subject of additional changes, they are not included in this additional notice and are not open for an additional public comment period. Those regulations remain, however, subject to adoption when the ICOC considers the entire package of proposed regulations concerning this policy.**
